EXTRA EXTRA!

2010 PGA Tour Player of the Year and 2010 FedEx Cup champion Jim Furyk and Children's Miracle Network Hospitals have recently announced their partnership for an incentive program for those who support Miracle Birdies.

Children's Miracle Network Hospitals is a charity that aims to raise money in support of 170 children's hospitals in North America. The Miracle Birdies program is made up of individuals, groups, and sponsors who make monetary pledges for each birdie Furyk makes during the 2011 PGA Tour. In this new partnership, they are offering incentives for those who wish to donate to their local Children's Miracle Network Hospital: each week of Furyk's participation in the tournament, a TaylorMade R11 Driver will be given away in a drawing starting now until October, when the Children's Miracle Network Hospitals Classic is held.

Also, on September 6, a lucky winner will win a grand prize trip for two to the Tour Championship by Coca Cola, September 22 to 25. This 3-day trip includes covered airfare and accommodations, and VIP tickets to the FedEx Cup final in Atlanta.
