ABC15 and Earnhardt Auto Centers kick off the 2017 Recycle Your Bicycle campaign on Aug. 28 to help Arizona kids in the foster care system. Throughout the month of September, Earnhardt Auto Centers will collect new and gently used bicycles at all 21 dealerships throughout the Valley.

On Thursday, Sept. 14, ABC15 will host a phone bank from 9–10 a.m. and 4–7 p.m. to collect cash donations for the effort. Those donations will go to buy bike supplies like tubes, tires, new seats and cleaning supplies.

The Arizona Association for Foster & Adoptive Parents will help distribute all the bicycles collected during the drive to children during this winter's holiday season.
