

## Great Gifts for the Person with Everything

Rachel Roland's a mom who's been scouting the web for the best gifts to give to that person - you know the one - who has absolutely everything! They can be incredibly difficult to buy for, but these fabulous gifts should help you decide and bring a smile to their faces! (Be sure to read up on my other gift guides - for [men](#), [women](#), [teens & tweens](#), and [children](#)!)

First, who doesn't love giving a gift that also gives back? Or receiving a gift that pulls 'double duty' by giving back to a charitable organization. The super cute and versatile messenger bag above is from [Flipped Bird Designs](#), and it's a special limited edition print in honor of [Ronan Thompson](#), a beautiful Arizona boy who passed away from Neuroblastoma in May, 2011. 100% of the profits from these bags, called [Flippin' Givin' for Ronan](#), will be donated to the [Ronan Thompson Foundation](#). Buy one and help support a fantastic cause today. (\$24-\$56)

I'll be honest, when it comes to makeup brushes, I just don't spend the money on them - not because I don't want to, but because it seems that I always 'need' one right away and don't have time to research or wait for one to arrive after being ordered online. Take the guesswork away from her and order a [IT Cosmetics Brush \(or Brushes\)](#) for her! These ultra-luxurious and plush brushes apply foundation, concealer and blush with ease and even can help you look younger! (\$15-\$58)

Sometimes, when you're not sure what to get, money is always a good option. Your recipient can use it for trips, shopping, and more! Instead of the standard Visa gift card, why not try a completely customizable gift card from [GiftCard.com](#)? For \$5.95 (which can be the fee when you purchase a standard card in the store), you can upload a favorite photo of your recipients children, pets, a favorite vacation spot - anything! You choose the balance you want and a little message and off it goes, mailed either to them or to you, if you prefer to give in person. (\$5.95 + what you choose for the balance)

Of course, it wouldn't be a gift list without a little bit of 'cheer,' would it? Instead of the typical chardonnay or merlot, this [Las Rocas Garnacha](#) is a light bodied red wine that even 'white wine only' types would enjoy. This also makes a great gift if you have multiple people to buy for - as the price point is great (under \$15).

Frangelico - an Italian Hazelnut Liqueur - has paired up celebrity chocolatier MarieBelle to create a beautiful and delicious gift set any chocolate lover is sure to enjoy! Enjoy divine chocolate truffles and delightful spirits with Frangelico. (available at fine speciality gift shops, starting at \$18)

It's the holidays, but really, champagne is always a welcome gift! The [Moët Twinkle Box](#) is the famous champagne in a beautiful gift box - that actually will keep your gift chilled and ready to be served for up to 2 hours! To serve the bubbly, why not also include a box (or two) of [Riedel's O Champagne Glasses](#)? These stemless glasses are a modern and stylish take on the classic skinny champagne flute. (The Moët Twinkle Box is available where fine wine is sold, and Riedel's O Champagne Glasses are available online, \$29.50)
