

Introducing "AZ Foothills MashUp"- AFM's very own custom ringtone

Written by Arizona Foothills Magazine

It's something we never knew we wanted but are obsessing over right now: a ringtone composed and named exclusively for Arizona Foothills Magazine. The ringtone, aptly named AZ Foothills MashUp, is a perfect mix of beats-n-bass and hip hop with a splash of county blended in; sure to make your cell phone, and the person answering it, stand out from the crowd. Want to know how you can get your hands on this customized tune? Good news: it's free and easy...

Created by Arizona-based sound studio ToneCrusher, AZ Foothills MashUp is available for free download on all carriers and devices (no cell phone make-or-model prejudice here!). The ringtone can be accessed via the Tonecrusher site (www.tonecrusher.com) or via apps on Android and iPhone. Downloading the ringtone from the website is free; same goes for the apps. Want to preview before you download? Listen to the ringtone on [ToneCrusher's YouTube channel](#).

Our cell phones will never sound the same!
