Beauty Editor Diane Aiello digs for the latest in lavish beauty treasures.

Beauty in the Bag

For the makeup obsessed, one of my favorite pretty-me-up brands, Jouer, has created the **Editors' Picks Essentials Makeup Kit**. The darling little train case is loaded with all the brand's cult favorites including foundations, luminizers, blushes, lipsticks, powders and pencils—everything you need for a flawless face. \$200. www.jouercosmetics.com.

Three Skin Wishes

If you're a vitamin and antioxidant skin care nut, try this fabulous trio for transformative results that hydrate, resurface and firm the skin. **Ole Henriksen's 3 Little Wonders** contains Truth Serum Collagen Booster, Sheer Transformation Renewing Crème and Invigorating Night Gel Firming Treatment. \$70. www.olehenriksen.com.

Clock Stopper

After trying the Rejuve MD complete eye treatment a few months back, I just had to know: Is the **Rejuve MD Face** complex going to work wonders just like the eye gel? Created from bio-identical growth factors, it activates the skin's natural rejuvenation process by sending messages that awaken the collagen and elastin while curbing the enzymes that destroy the skin's supportive matrix. \$150. www.rejuvemd.com.

Scentsations

After the success of its Crescent Row collection, **Benefit** decided to go for round two with three new scents: Eva, a carefree citrus floral; Rita, the ready-to-rock fruity green scent; and Carmella, a sensual floral vanilla. And best of all, right now you can get all three plus LeeLee, an original woody floral, packaged to mini perfection through the holidays. \$36. Macy's.

Skin Revival

For those seeking the ultimate in skin care luxury, Dr. Brown, the brains behind RéVive, once again chose the work of renowned wildlife artist Charley Harper to adorn this gorgeous limited-edition **Artbag**. The bag is packed with the brand's be-all-end-all skin-repairing products like RéVive Moisturizing Renewal Cream, Sensitif Cellular Repair Cream SPF 15, Fermitif Neck Renewal Cream SPF 15 and more. \$250. www.reviveskincare.com.
