After watching the Diamondbacks play ball in the heart of Downtown Phoenix's Chase Field, shoot over to one of these great dining spots for an after-game treat.

Hard Rock Cafe

Located in the Collier Center is the Hard Rock Cafe, walking distance from the ball park. On occasion, you can rock out to the live bands playing at the cafe's very own stage. Their legendary burgers are a must try, as well as their Southern BBQ. You can't miss this place; just look for the mammoth white and red Flying-V guitar above the building. Opens at 11 a.m. 602.261.7625, www.hardrock.com

TGI Friday's Front Row Sports Grill

Conveniently located inside of Chase Field is TGI Friday's, which overlooks left field. Baseball and food go hand-in-hand like peanut butter and jelly. Ultimate Electric Lemonade, Jack Daniel's Chicken Sandwich, Loaded Potato Skins, and Brownie Obsession are just some of the foods and drinks available. With happy hour every day from 4 to 7 p.m., you can eat to your heart's content. 602.462.3506, <http://www.frontrowphoenix.com/>

Pizzeria Bianco

This Italian brick building serves up quite an appetite. Carbo load on any of the six brick oven pizzas, making any Italian proud. Come early; guests can wait a few hours to nab a table at the popular Pizzeria Bianco. Open 5-10 p.m. 602.258.8300, <http://www.pizzeriabianco.com/>
