Out of the 365 days in a year, fathers receive only 24 hours worth of special recognition. That seems a bit askew considering the task of being a dad isn't a walk in the park; your dad let you blast Justin Bieber in his car, taught you how to play baseball and endured several makeovers during your beautician phase. This Father's Day treat you dad to one of Valley's local high-end steakhouses. After all, there is no better way to say "thanks!" to dad than with a meal fit for a king.

Fleming's Prime Steakhouse & Wine Bar

Indulge Dad to a brunch or dinner this year at Fleming's Prime Steakhouse & Wine Bar, where he will be rewarded with a \$25 dining card to enjoy on a future visit. Fleming's is idyllic for special occasions, especially on Father's Day. With nationally renowned USDA Prime beef, grilled fish and poultry that is complimented by an award-winning wine list, Fleming's will fix every Dad's craving. On Sunday, Jun 19th, Fleming's will open early at 11:30 a.m. with an exceptional brunch menu, served until 3:00 p.m. Say cheers to Dad with Fleming's Specialty Cocktail for Father's Day, Button Down—Jack Daniel's Whiskey, freshly squeezed lemon juice, maple syrup and a dash of bitters. Don't miss out on this once-a-year event; book your reservation today. <http://www.flemingssteakhouse.com/>.

Donovan's Steak & Chop House

Treat Dad to a savory USDA Prime Steak in an atmosphere where he will be treated like royalty. Celebrate Father's Day this year at Donovan's Steak & Chop House, where family and friends will enjoy a special dining experience centered around a particular man: Dad. Donovan's Father's Day Weekend begins Saturday June 18 – Sunday June 19. Seating will start at 4:00 p.m. with private dining rooms available. If Dad enjoys a meaty and scrumptious steak, than Donovan's is the spot to be at. <http://www.donovanssteakhouse.com/>.

BLT Steak

Stop by the newly renovated BLT Steak at Camelback Inn, A JW Marriott Resort & Spa, in Scottsdale, Arizona for a taste of the southwest. BLT Steak (not your typical BLT) will have Dad's heart melting with its southwestern spin on flavors that uses peppered herbs from Camelback Inn's

Modern Steak

Modern Steak is a perfect joint to leave Dad's belly full of delicious dishes. Decked out with trendy architecture and quirky do-dads, Modern Steak has taken traditional steakhouse dishes and has given them a uniquely fresh "Modern" twist. Have Dad enjoy prime-aged beef and seafood dishes, creative cocktails and decadent desserts in a comfortable setting. Stop by Modern Steak and let dad enjoy a plethora of steak options from an eight oz filet to a 14-ounce New York strip...Can someone pass me the A1? http://www.foxrc.com/modern_steak.html.

Fogo de Chão

Take Dad on a trip to Brazil to experience authentic South American flavor. Fogo de Chão is a Brazilian steakhouse that offers signature Picanha steak, a prime cut of top sirloin that is carefully carved by gaucho chefs. Other beefs include Filet Mignon, Fraldinha, Costela and more. Let Dad select his Brazilian seasoning from either a traditional light mixture to a more robust garlic flavor. Either way, experience Father's Day in a different cultural light with cuisine inspired by South American spices. Don't forget to try Fogo de Chão's molten chocolate cake; it will complete Dad's trip abroad. <http://www.fogodechao.com/>.
