For those of you who went gaga over Fendi's Peekaboo bags during Fashion Week *raises hand!*, you are in luck! The Fendi Boutique at Saks Fifth Avenue has had the bags trickling in for about a month.

Robin Steiner, the Fendi boutique manager, says they're scooped up within minutes and they receive calls daily for the delicious leather arm candy. The bags were seen on runways, with pockets hanging wide open. The interior of the bags are incredibly colored, and deemed too cool to kept hidden. Call 602.956.3794 for availability at the Phoenix boutique, and stop drooling.
