Hey there, undiscovered beauty. Come submit your photo and info for the Face of Foothills Model Search to us live at the Women's Expo this weekend. We know you want to.

We also know you want to see Carson Kressley of Queer Eye, the celebrity headliner. *AFM* will be there, accepting (and taking) photos of FOF candidates. We also have a massive giveaway we'll be doing for the ultimate girl getaway and a \$5k blingin' watch! Check us out! For event and ticket info, visit the [Women's Expo AZ](#) Web site.
