Hungry for another icy alternative? Those of us who have given the low-cal ice cream [Tasti-D-Lite](#) a swirl during trips to NYC will be happy to hear that the light ice cream chain is now moving West and coming to the Valley!

Tasti-D-Lite, which now saturates the island of Manhattan and other states in the east, boasts tons of delicious flavors with extraordinarily low calorie counts. "Dessert Your Guilt" here- a serving can be as harmless as only 70 calories. The brand has been around since 1987, but saw a surge of popularity after Charlotte and Harry went there on an episode of Sex and the City, and it was seen on an episode of Donald Trump's The Apprentice. But now fans won't need to dodge sewer grates and speeding cabs to get their low-cal sweet fixes. The new spot will be located at The Shops at Zocallo in Scottsdale, 15425 N. Scottsdale Rd., Ste. 200, Scottsdale, AZ, and is pushing for a June 1 opening.
