Woof! *Arizona Foothills Magazine* loves pups and kits, and are helping Paw Placement find happy homes for the little guys.

If you haven't noticed already, ArizonaFoothillsMagazine.com is sporting a new feature box on the lower righthand side of the Home Page- [AFM Pet of the Week](#)! Each week, in conjunction with Paw Placement, *AFM* will feature an adorable little rascal in need of a home. This week is a Rotti mix named Sasha. Have a heart and adopt her!
