If you're a bride, bride-to-be, lover of all things weddings, or just as obsessed with TLC's "Say Yes to the Dress" as we are, then this is an event you will NOT want to miss.

[Omni Scottsdale Resort & Spa at Montelucia](#) will be hosting this Thursday, September 14, their first annual "Dream" Couture Bridal Fashion Show, featuring our number one guy, Randy Fenoli. Not only the star of "Say Yes to the Dress," Randy is also known for his parts in "Big Bliss," "Randy Knows Best," "Randy to the Rescue," and "Say Yes to the Dress Benelux."

With Randy as the emcee, this fashion show is destined to be a hit.

The theme of the fashion show is "Dreams," and it will feature not a red, but a white carpet, champagne (of course), and small bites.

Oh yeah, and it will feature the latest in bridal couture including wedding dresses, bridesmaids dresses, men's wedding wear, and mother-of-bride/mother-of-groom outfits all done by Destiny's Bride. Designers included are:

- Galia Lahav
- Flora
- Monique Lhuillier
- Lian Carlo
- Anne Barge
- Simone Caravalli
