EXTRA EXTRA!

With more than 40,000 Twitter followers on his account and a little more than 4,000 personal Tweets (for now), [@paulypeligroso](#) is Tucson's top Twitter bird, earning him the title of Top Twitterer for Tucson's Best 2011.

Pauly is also a contributing writer for four different Twitter accounts besides his own witty account (@GaryJBusey, @BestWorstAdvice, @El_Danny_Trejo, @NotJayCutler).
