EXTRA EXTRA!

The Make-A-Wish Foundation of Arizona succeeded in raising nearly \$700,000 at its annual fundraiser!

The foundation teamed up with Go Daddy CEO and Founder Bob Parsons and his wife, Renee, to host its 15th annual gala, which took place at the beautiful Westin Kierland Resort & Spa back in May. Their contributions alone racked in more than \$350,000 in support of children and Make-A-Wish.

The Parsons were also given the Tom and Madena Stewart Lifetime Compassion award, in honor of the late Make-A-Wish Foundation supporters Tom and Madena Stewart, for the incredible efforts.

Congratulations to Make-A-Wish and the Parsons, and here's to making children's dreams come true!
