EXTRA EXTRA!

Bugaboo teams up with Missoni to create the most trendy stroller you have ever seen. The only place to purchase one is at Neiman Marcus.

These two chic designs are limited additions. For the **Bugaboo Bee**, there is a sun canopy embedded with a bright multi-colored zig-zag pattern. The **Bugaboo Cameleon** has a sun canopy and bassinet apron in a vibrant, blocky, rainbow print. Included in each set is a matching knitted blanket made with signature Missoni craftsmanship.

Available July 2011. \$199 - \$269.
