HOLLYWOOD BITES

Hollywood Bites dinner
with Paris Barclay, producer - director of
Cold Case, NYPD Blue & Glee

lights... Camera... Feast!

Continuing the exciting new series of gourmet dinners at Sanctuary, an evening with Paris Barclay features another opportunity to mix and mingle with leading Hollywood figures. An intimate group of guests will enjoy a leisurely conversation with film and TV icons, while feasting on a wine-paired dinner by Iron Chef America winner and Food Network celebrity Chef Beau MacMillan.

Don't miss the chance to dine and chat with the Emmy-winning director of numerous movies and TV shows including *The West Wing*, *House M.D.*, *Weeks*, *ER* and other favorites. He'll discuss the series he's currently executive-producing, *Sons of Anarchy* and *In Treatment*, as well as memorable people and moments from his 22 years in the industry.
