EXTRA EXTRA!

The Arizona Rattlers will unveil a six-story wall mural as part of their partnership with Legends Entertainment District. The mural will be on the west-facing wall of the Luhrs building located at Jefferson St. and 1st Avenue in downtown Phoenix, Ariz.

" The philosophy behind this partnership was to carry on the tradition that the Rattlers have in the Phoenix community. We want to help promote another reason for people to come to downtown. The installation of this Rattlers larger than life wall mural is another way to help energize the Legends Entertainment District." said Arizona Rattlers majority owner, Ron Shurts.
