EXTRA EXTRA!

Every few years February earns an extra day because of the Leap Year. And for the lucky few that were born on February 29th, their legitimate birthday comes once every four years. Mane Attraction Salon wants to celebrate those rare leap year babies by giving them a special birthday gift: A FREE HAIR CUT!

In order to receive the free haircut, leaplings must show valid identification of their date-of-birth (February 29th). Stylists are on a first come, first serve basis and specific stylists cannot be requested. The salon will be open from 10AM to 5PM. An appointment is recommended for the offer.
