Remember that one time when Los Angeles Lakers' player, Ron Artest, changed his name to Metta World Peace?

And remember that one time when a man was arrested in Wisconsin who was named Beezow Doo-Doo Zopittybop-Bop-Bop?

Well, a 23-year old Nebraska man walked into a court room Monday as Tyler Gold--and walked out as Tyrannosaurus Rex.

[Disclaimer: This is not a phot of him, we just think dinosaurs are cooler.]
