Extra! Extra!

J&G's Steakhouse Neighborhood menu in Scottsdale places emphasis on simply grilled proteins and farm fresh produce. Current dishes include: Local Watermelon Gazpacho; Sweet Corn Ravioli; Slowly Cooked Salmon; Lemon Pepper Chicken Steak with Mashed Potatoes; 8 oz Dry Aged Sirloin Steak; and Fresh Strawberries Meringue and Sour Cream-Poppy Seed Sorbet.

Select either a \$33 two-course offering or a \$39 three-course offering, both served with a rejuvenating adult beverage to start off right – something J&G mixologists aptly refer to as an “Amuse Booze”. The items on the menu will cycle through often, keeping the flavors as fresh as the ingredients.

Things get even better with half priced bottles of wine with dinner, every Sunday. www.jgsteakhousescottsdale.com
