Extra! Extra!

Two of the most well known brands in the automotive industry, Barrett-Jackson and Pep Boys, formally announced a new partnership that will make top-quality paint restoration and car care products easily accessible.

Beginning August 1, exclusive Barrett-Jackson abrasives, paint and car care products will be available at Pep Boys locations across the country. Now everyone's car can look as classy as this one (well, almost). For more information, visit www.barrett-jackson.com or your local Pep Boys location.
