EXTRA! EXTRA!

That's right—AZFoothills is expanding our online content by introducing the all-new section, "Trendsetters." Each week, we'll feature some of the most interesting people around the Valley in a quick and fun Q & A to inform you, our lovely readers, about their current wherabouts. From models to jewelers, real estate moguls and fashionistas—we got it all. Check out the section [here](#).

If you want to be featured as a trendsetter, follow us on [Twitter](#) or like us and [Facebook](#).
