EXTRA! EXTRA!

If you're not familiar with local celebrity jewelry designer, Jacqueline Nerguizian, or non-profit entrepreneur and founder of the Ronan Thompson Foundation, Maya Thompson, this is what you need to know: they both hate cancer. So much so in fact, that Nerguizian recently designed this bracelet (with the shortened and lengthened saying) for the Ronan Thompson Foundation. The jewelry ranges from \$1,100 to \$3,000. A special piece will be auctioned off at the upcoming Gold Party benefiting the Ronan Thompson Foundation on Saturday, September 29 at the W Scottsdale. 40% of the proceeds of remaining jewelry line will benefit the foundation. Jewelry will be available at the Gold Party and on Nerguizian's website.
