EXTRA! EXTRA!

With less than two months of business time under their belt, the family owned restaurant, Milagro Grill, has some new decoration pieces for the establishment: the Grand Champion trophies from the AZ Taco Fest on Oct. 20-21.

The Taco Fest, which spanned over two days of different contests for best seafood, beef, pork, and chicken tacos, as well as a margarita contest, brought together a variety of restaurants to duke it out for the win. Milagro Grill won a number of awards each day, but topped it all off with the Grand Champion awards for both days!
