Someone in Fountain Hills sure had a lucky day yesterday. Two winning tickets were sold for yesterday's \$579.9 million Powerball jackpot--one in Fountain Hills, the other in Kansas City. (Names have yet to be announced.) Wednesday's lottery marked the largest jackpot in history. The winners will split the massive jackpot. Each will receive \$289.9 million if they choose the 30-year annuity option or nearing \$190 million if they opt for lump-sum cash. The jackpot winners have 30 days to decide which option they prefer.

And the numbers that turned one very lucky Fountain Hills resident into a multi-millionaire? 5, 16, 22, 23, 29 with the red Powerball number being 6.

The next Powerball drawing will take place Dec. 1.
