Looks like someone has an incredible Christmas ahead of them.

Alfredo Molina of Molina Fine Jewelers and Black Starr and Frost has set a world record. Molina has sold the Archduke Joseph Diamond, owned by Archduke Joseph August of Austria. The 76-carat diamond was sold for \$21.5 million, the most ever paid for a colorless diamond.

"I'm still recovering," Molina has said. "It was like selling one of my children, for God's sake."
