Think you have a knack for naming things? Well, Tempe's Monti's restaurant has a contest for you--with a sweet prize, to boot. At the end of February, Monti's will unveil its brand new 2,000-sq.-ft. patio. The chic patio will have seating for 130 people, three get-cozy fire pits and urban bar stools. Because the contemporary patio is nothing like the old-fashioned restaurant, Tempe will experience a new side of the famous steakhouse. And Monti's is seeking a name for this new addition--and they need your help!

Starting today and through Feb. 1, contestants should send their catchy name suggestions along with their name, address, phone number and email address to NameThepatioforMontis@gmail.com. (Monti's reserves the rights to all names submitted.) Monti's will announce the winner at the grand opening party for the new outdoor patio in late February. The winner, who will be notified by mail and email, will receive a complimentary party in March for 20 people of their choice on the outside patio featuring food and drinks.
