Donna and Berkley Vallone

EXTRA EXTRA!

Berkley Vallone, daughter of [Vallone Design](#) founder Donna Vallone, is launching her own design firm - [Berkley Interior and Lifestyle Design](#).

With the support of her mother, Berkley will tackle interiors, as always, but will be adding a new twist - lifestyle design, which includes styling, personal shopping and a wide variety of other styling services - we're excited to see how she jazzes up local galas, birthday parties and personal wardrobes of Valley citizens.

Her site isn't live quite yet, but we are excited to see this new business unfold!
