EXTRA EXTRA!

Who said spring break was just for sandy beaches and sun burns? Take the family to Hidden Meadow Ranch in Greer, where kids age 11 and under can stay, eat and play for free throughout the entire month of March! On top of this amazing deal, if you book a minimum of two nights in one of the luxury log cabins from now until March 31, you will receive two complimentary adult ski passes to the nearby Sunrise Ski Park.

For more information or to book your stay, visit www.hiddenmeadow.com.
