Love is in the air, with Valentine's Day or sometimes better known as Single Awareness Day just around the corner we wanted less people to be lonely on February 14th. Last night we held our first annual Most Eligible Phoenixians mixer at J&G Steakhouse inside the Phoenician Resort.

The 8 men, and 8 women, who we call the Sweet 16 were featured in the February issue and we introduced to the public last night. We invited all singles in the valley to come meet and greet, mix and mingle with The Most Eligible Phoenixians in hopes that maybe they won't be single much longer.

Even Fox 10 News wanted in on the action, watch the story... www.myfoxphoenix.com/story
