EXTRA EXTRA!

Looking for something rewarding to do this week? Check out "Garypalooza's Stupid Cupid Party" this Thursday, February 14th at El Santino Cantina. Originally planned as a fun Valentine's Day extravaganza, this event is now a fundraiser for its planner, Gary Lewis, who was involved in a freak accident in January. You can count on a great atmosphere, good company and an auction to benefit Mr. Lewis. This event is sure to be a crowd pleaser and a great opportunity to help out a fellow member of our community cover a couple of medical bills.
