Already home to plenty of great dining destinations, shopping and nightlife, Downtown Phoenix's CityScape welcomes three new openings this summer. Green Iron Cleaners (CityScape's first dry cleaner) and Yogurt Time open this week, while Squid Ink Sushi is slated to for its big unveiling later this summer. Located below Blue Hound Kitchen & Cocktails, Squid Ink Sushi will dish out traditional and contemporary favorites, sushi rolls, grilled entrees, fresh salads, Asian-inspired signature cocktails, an extensive wine list, draft beer, a wide assortment of sake and shochu and more. Plus, the sushi spot will have a walk-up window for nearby businesspeople to grab a quick lunch or satisfy a late-nighth craving. <http://www.cityscapephoenix.com/>.
