As temperatures are heating up throughout the Valley, most of us are thinking of taking off the layers. Tonight, May 1, Kendra Scott Jewelry is doing the exact opposite and is allowing ladies to layer up on necklaces! Pop in tonight for their weekly Girls' Night Out event at the Scottsdale Quarter location for 20 percent off all necklaces, both in-store and online. Make sure to use the code "LAYERUP20" for all online purchases. For more information on Scottsdale's newest jewelry gem, visit www.kendrascott.com. Happy shopping!
