EXTRA EXRTRA!

The last week of May seems like a good time for some spa treatments and lunch at the Sanctuary Resort in Scottsdale! Why? While enjoying a poolside margarita and appetizer, one can hope to catch a glimpse of Taylor Swift. Rumor has it that this is the hotel she will be staying at during her Arizona stop on the RED tour. The concert everyone has been anticipating since December is finally almost here. Whether you are going to the Taylor Swift concert or not, Phoenix could not be more excited to have Taylor Swift in town. Get ready to welcome one of America's biggest country stars! Pull out your sundresses and cowboy boots and come out to Glendale!
