Refresh Glass, a local business that up-cycles wine bottles into functional glassware and art, is hosting a "refreshing hour" tomorrow, August 21, from 5:30 to 7:30 p.m. at Postino's Winecafe in Arcadia. The event will benefit the Phoenix Children's Hospital. At the Refreshing Hour, Ray DelMuro, the owner of Refresh Glass, will be selling a signature Refresh Glass product for \$10, which also includes a signature drink. Additional Refresh Glass products will be raffled off. All proceeds will go to the Phoenix Children's Hospital. To RSVP for the event, contact www.phoenixchildrens.com/RefreshingHour.
