Gentlemen, you officially have an excuse to let the scruff grow in! November 1st marks the first day of the month

dedicated to raising awareness and funds for the Movember Foundation, an organization supporting world-class

men's health programs combating prostate and testicular cancer initiatives. All Culinary Dropout locations invite

you to join the Movember efforts by putting the razor away until December.

Stop by Culinary Dropout during November and have your photo taken against the manly mustache background to

document your magical mane of upper lip hair. For those of you who are unable or unwilling to grow a mustache

you can still get in on the action and pose with one of many faux mustaches provided.

The photos will be uploaded to the "CDO Movember Movement" album

daily at www.facebook.com/culinarydropout. One dollar for every photo posted will be donated to the Movember

Foundation. Tag yourself in a photo and an additional dollar will be donated!

While you're at Culinary Dropout order the **Mustache Andy**, a two-sip uber-man drink made with Bulleit Rye. This

whiskey producer, Bulleit Frontier Whiskey, is generously donating \$1,500 to the Movember Foundation.

You can drink to Movember at home with the delicious recipe below...we hear it helps the stubble grow too.
