It all goes down at **1:10 p.m. on Saturday, April 12** when **The Fiat of Scottsdale Rugby Bowl** makes its Valley debut at WestWorld of Scottsdale as one of the world's most popular sports. Gates open at 11:30 a.m. with the match starting at 1:10 pm. The nationally-ranked ASU team will face top-ranked and defending college champions BYU. The [Fiat of Scottsdale Rugby Bowl](#) has some field side match views that will give fans the coolest seating opportunities for a sporting event. The brutal action on the field will be enjoyed in ultimate, and ironic, seating bliss. Here are a few of the favorites:

- Paddock Pools Patio, where guests can kick back in lounge chairs under the shady comfort of umbrellas.
- Scottsdale Cigar Club Lounge, where aficionados can puff on the Valley's best cigar inventory.
- V's Barber Shop 'Sin Bin,' where fans can sit in the comfort of a real barber's chair.

And there's also the opportunity to control your own comfort by taking part in a New Zealand tradition and bringing your own couch, plopping it field side and pretend you're at home. Graciously, My Sister's Closet will provide a couch on-site for those unable to bring their own.

Last but not least, you can just drive up to the field and become part of the tailgating contingent. Tailgating: Presented by Turf Paradise, it must be noted, is not allowed to bring alcohol, FYI. For more information on tailgating opportunities, contact info@therugbybowl.com. All are great ways to enjoy what will be an amazing inaugural event, but for more traditional seating too that can be found at www.therugbybowl.com.
