Downtown Phoenix won't know what hit it on Thursday May 15th when Yelp's Downtown Revival goes down. The annual party will focus around all the art, culture, cuisine and entertainment the area has to offer!

Some of the participating food and beverage vendors include 1130 The Restaurant, America's Taco Shop, Kincaid's Classic American Dining, My Big Fat Greek Restaurant, Rico's American Grill, Whole Foods Market, Arizona Distilling Company, Mother Bunch Brewery/O.H.S.O., Stack Wines, and Tito's Handmade Vodka.

Entertainment experiences include Bellydance with Mahin, Dizzie Ramsey Balloon Artist, DJ Sterling, FilmBar, Live Art by Stu Biscoe, Paint Nite Phoenix, Phoenix Photo, rePose Salon and Spa CityScape, and countless more.

The free party will be held at Table Tops Etc, a beautiful florist situated in a historic section of the Roosevelt Row District in Downtown Phoenix. The venue will be opening their doors, and the brand new Mother Bunch Brewery, with help from ProEM for an entertaining night full of surprises!

RSVP info: To RSVP, simply visit the [Yelp events page](#) and click "I'm In." Those who make the list will be contacted via email from Yelp. The non-profit partner for the night is Free Arts of Arizona and Yelp will be doing a \$5 donation at the door with 100% of the proceeds going to them! Visit freeartsaz.org for more info.
