[Scottsdale Quarter](#) introduces five new tenants to its already vast collection of stores. Fashionistas will rejoice at the sound of La Foi Boutique, Planet Blue and Forever 21; dogs and their owners can look forward to the addition of YAP, a shop for man's best friend. Scottsdale Quarter is also the new home to LA-based laser treatment center, Skin Laundry. The 28-acre shopping, dining and entertainment destination located at Scottsdale Road and Greenway-Hayden Loop have already welcomed La Foi, Skin Laundry and Forever 21 and will welcome YAP and Planet Blue in November.
