The best way to celebrate this season of football and this season of giving! Super Ball 2015 is a vintage [sports](#) gala hosted by Assistance In Healthcare in partnership with the [Arizona Super Bowl](#) Host Committee and Cancer Treatment Centers of America® (CTCA).

The event will be held on Sat., Jan. 17 at the Bentley Gallery in downtown Phoenix. Tickets are \$350 per person and can be purchased at [azaih.org](#). The gala will celebrate the Big Game with a vintage [tailgate](#) party, including game screenings, surprise boxes and special football player guests. The event will be chaired by Bob and Molly Stockley, who serve as CEO at Waternuts Aquatic Enterprises, Inc., and Assistant Vice President of Hospital Growth at CTCA® at Western Regional Medical Center respectively.

Assistance In Health Care is a not-for-profit volunteer organization which assists cancer patients currently being treated in the Valley of the Sun with non-medical expenses when the cost of prolonged medical care creates financial hardship. The organization's board members, who are led by AIH President Meredith McGuire, are volunteers who donate their time for board meetings and committee meetings required to plan and produce fundraising activities.

Additional information about how patients can apply for grants, event information and sponsorship opportunities can be found by calling [623-207-3009](#) or visiting [azaih.org](#).
