Treat Mom this Mother's Day with two special spa treatments designed to make her feel relaxed and looking her best.

[Rejuvena Health & Aesthetics'](#) special Mother's Day facial is a blend of raw cocoa, pearl powder, coconut sugar, vanilla bean powder, raspberry and various other Ayurvedic and organic ingredients that will firm, brighten and tighten skin. A microdermabrasion, extractions and a hand-mixed mask with five to seven applications to take home will be made especially for her specific skin issues and will be included along with a complimentary consultation. \$125 for one hour.

This Mother's Day, [spa810 Scottsdale/Shea](#) has a luxurious package valued at \$308 for \$119. This two-hour package includes a 60-minute customized luxurious facial and a 60-minute customized full-body massage. Plus, Mom will get a free upgrade of her choice valued at \$40: a dermaplaning treatment or micro-current non-surgical brow lift.
