Fulton Homes is partnering with KEZ 99.9 for the annual Fulton Homes "Stuff the Bus" campaign that aids deserving families in collecting school supplies for the upcoming school year. This year's donation drive runs from June 7 to July 9 at Chandler Fashion Center and benefits the Boys and Girls Club of the East Valley Compadre Branch in Chandler.

A full-size school bus will be parked inside the Macy's Courtyard with painted paper handprints and the name of each child in need. Those handprints contain a list of items each child requires for a successful school year. Supporters can donate to a specific child or make a general contribution of requested items, including pencils, pens, notebooks, backpacks, school uniforms and shoes. Shoppers can also return the handprint with school supplies to the mall's guest services area.

Donations will be accepted at the Chandler Fashion Center and at all KEZ events and remotes. Volunteers will accept donations outside the school bus at the Macy's Courtyard each day of the campaign during mall hours, and will be on hand to collect new school supplies, clothing and backpacks for children in need.
