ABC15 has teamed up with White Water Bottling Company and St. Mary's Food Bank Alliance for a one-day water drive to help the less fortunate in our community. On Thursday, July 20, from 9 a.m. to 7 p.m., more than 70 Valley Goodwill locations will serve as drop-offlocations (addresses listed at abc15.com/water). In addition, volunteers will be collecting monetary donations from a phone bank from 9 a.m. to noon and 4 to 7 p.m.
