Lost Our Home Pet Rescue Moves Sit. Stay. Brunch. Online

Virtual Pajama Party Planned for Dec. 6: Proceeds Benefit Pets and People in Crisis

[Lost Our Home Pet Rescue's](#) 10th Annual Holiday Champagne Brunch & Auction is set for Sunday, Dec. 6 at 11 a.m. online. The event will raise critical funds needed to support services and programs to continue to provide for pets and people in our community. Jan D'Atri will emcee the event and Letitia Frye will host the live auction.

"This year, you can join us from the comfort of your home in your favorite cozy pajamas," said Jodi Polanski, founder, and executive director of Lost our Home Pet Rescue. "Our brunch has always been a fun way to kick off the holiday season. You'll hear inspiring stories, see a doggie fashion show and highlights from our renovated shelter and be able to participate in a silent auction with gifts for everyone on your shopping list."

The Brunch is Lost Our Home Pet Rescue's major annual event. Raffle tickets, pet naming opportunities, and sponsorships are available. To purchase tickets or sponsorships, visit www.lostourhome.org. For additional questions, please contact us at 602-445-7387 or via email at brunch@lostourhome.org.

About Lost Our Home Pet Rescue

Lost Our Home was founded in 2008 in response to the thousands of pets in need as a result of the economic downturn in general and the Phoenix-area foreclosure crisis in particular. They are the only shelter in Maricopa County dedicated to rescuing pets abandoned or at risk of homelessness due to pet parents' life crises: eviction, domestic violence, job loss, and illness. They have saved the lives of over 3,800 pets, reunited more than 700 pets with families through their Temporary Care Program, and fed 17,000 pets through their Pet-Food Bank Program. They also have a partnership with the Sojourner Center, the largest domestic violence shelter in Arizona, in which they operate a pet shelter on their campus so that women escaping domestic violence can have their pet with them.
