As 2025 enters its final quarter, [Lerner & Rowe Injury Attorneys](#) and its nonprofit, [Lerner & Rowe Gives Back](#), have already marked a milestone year. The award-winning Phoenix personal injury law firm and community foundation expanded their presence across Arizona through signature programs, strategic partnerships, and generous support for local nonprofits. From Phoenix to rural towns, every event and grant shared the same purpose: helping neighbors when they need it most.

Investing Deep, Giving Widely

From distributing **4,000 backpacks** filled with school supplies across four Arizona cities to sponsoring an [after-school soccer program](#) with Arizona Soccer Association, supporting cultural events like the [Mexican Baseball Fiesta](#), and providing meals for families facing food insecurity, the firm's reach is expansive. Lerner & Rowe Gives Back also awarded **\$350,000 in grants to 28 Arizona nonprofits** in 2025 and raised over **\$1 million through its annual Charity Golf Classic** for the third consecutive year, with 100% of those funds going directly to Arizona communities. These investments empower people, strengthen neighborhoods, and create meaningful opportunities for those often left behind.

Recognition that Reflects Real Service

The firm's community values are mirrored in its legal work. In 2025, Lerner & Rowe was **voted Best Personal Injury Law Firm in Phoenix** for 10 years in a row (AZ Foothills readers' poll) and named among the **Top 10 Personal Injury Law Firms in Arizona** (Ranking Arizona). These honors aren't just awards—they reflect trust, consistency, and dedicated advocacy.

Changing Lives, Strengthening Communities

For the remaining months of 2025, Lerner & Rowe plan to feed over **3,000 Arizona families** during its annual Thanksgiving Meal giveaways in Phoenix, Tucson, Yuma, and Bullhead City, with additional outreach beyond the state. The firm will also continue its **25 Days of Giving**, spreading holiday cheer by granting gift wishes valued up to \$500 to more than 30 individuals nationwide.

In Arizona and beyond, Lerner & Rowe demonstrates that their team members are not only committed to securing maximum compensation for clients - reflected in the billions recovered - but are also always trial-ready and dedicated champions for positive community change.
