Wing spread the Phoenix Mercury Madness as the team begins to undergo the second half of the 2011 season.

That time of year is back again for you to take part in the Mercury Madness Sell-a-thon and donate a ticket (or more!) to give underprivileged families a chance to watch the Phoenix Mercury on the court. For only \$12 a ticket, you'll be helping children-in-need attend a championship-winning Phoenix Mercury game for a night to remember.

Last year, the Mercury Madness Sell-a-thon raised more than 15,000 tickets to benefit families with Boys & Girls Club, United Way, and other non-profits around the Valley.

Help the Mercury meet their 17,500-ticket goal and give back to the children in the Phoenix community! It's easy!
