Calling all junior high and high school students! Are you thinking about a career in architecture? Not sure what an architect does and what is involved in the day to day activities of an architect? Then the PHX Architecture Summer Camp is for you!

In this one week camp, you will be introduced to all of the aspects of an architectural career. You will experience firsthand the day-to-day activities of a working architecture office while learning from staff architects the different skills needed for this career.

From the computer programs, to the actual construction site visits, this comprehensive hands-on learning experience will be exactly what you need in order to make a decision on whether this career is right for you!

Program includes:

- * Career History
- * Local architectural tour
- * Space Planning
- * Land Planning
- * Green Architecture
- * Hand Rendering
- * 3d Computer Building Modeling
- * AutoCad Drafting
- * Project Management and Operations
- * InDesign and Photoshop Tutorial

This one week program runs from June 11th-June 15th 2012, is \$600 and includes lunches and a tour of Taliesin West.

If you or anyone you know is interested, please email jaclynm@Phxarch.com

PHX Architecture is a full service architectural firm that specializes in the process of creating dynamic architecture that is inspired by the site and unique to each client. The firm consists of a talented group of architects, designers, and project managers dedicated to providing the highest level of service to each client.
