Palmetto All-Weather Wicker Daybed

Is a lounge chair just not cutting it for an afternoon nap outdoors? Then you need an outdoor daybed. The Palmetto daybed is constructed with weather-resistant rugged synthetic so it may be left outdoors year-round. The panels can be left down for privacy or gathered with ties to soak up some sun. The daybed is \$1,990. www.potterybarn.com.

Torrey All-Weather Wicker Single Chaise

Imagine yourself at your favorite resort, on the beach with this thick woven chaise lounge. The chaise has five adjustable positions and the thick cushions are water-repellent for an afternoon dip in the pool. One chaise is \$999. www.potterybarn.com.

Reef Lounge Set

The Reef Lounge Set is modern, comfortable and eco-friendly. Each piece of furniture is handcrafted with plantation-grown teak which is supported by TFT, a nonprofit that promotes forest conservation. However, if buying furniture from the Reef collection, it is recommended you buy the Golden Care Teak Protector. The cushions are fade- and mildew-resistant. Each piece of the Reef set is sold separately to give customers the advantage of creating an outdoor lounge specific to them. Prices vary accordingly. www.crateandbarrel.com.
