

Phoenix's Best Dentist 2009

Written by Written by Arizona Foothills Editors

Wednesday, 31 December 2008 17:00 - Last Updated Friday, 20 March 2009 14:36

We are lucky enough to have access to hundreds of incredible options when it comes to dental care in the Valley. Whether you are looking to whiten your choppers and fix surface stains, straighten your child's smile to perfection or keep your whole mouth healthy, you have the very best at your fingertips. From Glendale to Scottsdale, here are our picks for the best Valley dentists - They will have your smile straighter, cleaner and whiter than ever before.

Joyce Bassett, AAACD, FAGD

Dr. Bassett has 26 years of general, cosmetic, and full-mouth restorative dental experience. She is one of the Accredited Members of the American Academy of Cosmetic Dentistry and is a graduate of the Kois full-mouth restorative program. She is a fellow in numerous dental academies and is on the editorial board and published in numerous National Peer Review Cosmetic Journals. She lectures internationally to other dentists and teaches the Aesthetic Continuum to the Arizona Dental school. Dr. Bassett can provide dental services ranging from simple bonding, smile design, and full mouth restorative cases.

Cebrynski Rehabilitative Dentistry

• Kevin B. Cebrynski, DDS

For more than 14 years, Dr. Cebrynski has been devoted to the special needs of patients with serious dental challenges. Dr. Cebrynski is a Prosthodontist; the focus of the specialty is the restoration and replacement of teeth. His years of experience with these challenges and expertise in the latest procedures for dental implants, crowns, bridgework, dentures and reconstruction have eliminated pain and improved function and appearance for thousands of patients Valleywide. In addition, Dr. Cebrynski offers every comfort and convenience for his patients, including sedation, transportation and payment plans with low or no interest.

Briggs Family & Cosmetic Dentistry

• Bradley A. Briggs, DDS

Dr. Briggs received his bachelor's degree in Human Biology from La Sierra University, and earned his Doctor of Dental Surgery degree from Loma Linda University. He has pursued the art of reconstructing the mouth, while receiving extensive training in oral conscious sedation. Dr. Briggs' passion is for technology and the future of dentistry. His office utilizes the latest technology, such as the Wand and lasers, to create a syringe-free dental experience. Single visit, all porcelain, metal-free crowns are created using the CEREC computer and milling unit, and very low radiation digital X-rays are used when necessary.

6920 E. Shea Blvd, Suite 201, Scottsdale 85254

480.563.5800

Dr. Allen Peyghambarian, DDS

Dr. Allen Peyghambarian, commonly known by his patients as "Dr. P," caters to dental cowards and is well known by his patients for giving a "painless shot" and allaying their fears. His office exudes a Tuscan-inspired spa-like ambiance that gives patients the feeling of being in a nice home instead of a clinical office. Dr. P will spend as much time as possible with his patients discussing their dental needs, goals and options. Whether it be creating a beautiful smile with Lumineers or Invisalign, curing a tooth ache with a root canal, or placing mini-implants for loose dentures, Dr. P takes great pride in developing relationships with his patients and creating a family atmosphere.

Image Dentistry

At Image Dentistry a full range of general and cosmetic dental services are provided, whether you require hygiene maintenance or full mouth reconstruction. Dr. Byron Larsen and Jennifer Lacobelli custom tailor your dental treatment program for your healthcare dollars. Dr. Larsen and Lacobelli are graduates of the Dawson Academy, a prestigious center for advanced dental education in cosmetics and complex rehabilitative dentistry. The office's philosophy is one of complete dentistry, treating the cause of dental issues, not just the symptoms. This vision is achieved by using the newest advances in technology to marry art and science. Currently Dr. Larsen and Lacobelli take 3 times the state requirements in continuing education. By continually updating their skills and techniques they can provide the highest quality of diagnosis and treatment available.
