Kathy Shayna Shocket has the inside scoop on Celebrities and the social scene

Kathy's behind the scenes scoop ... who was the blonde seen with Michael Bolton at Scottsdale party?

Rumors have been plenty since **Michael Bolton** and **Nicollette Sheridan** (*Desperate Housewives*) split up.. and that Michael was dating **Donald Trump's** ex- **Marla Maples**. Neither of those famous women were with Michael though when he was in Scottsdale to perform at the Childhelp- **Barrett Jackson** Drive the Dream gala.

Michael even flew in a night early to have dinner and mingle with a small group of VIPs. There were several blondes who were enamored by him, and he obliged with pics snapped on their cell phones, etc.. but there was one blonde and even a brunette that he was giving lots of his attention to. The blonde , by the way, once went on a date with **Elvis Presley!** It's **Yvonne Fedderson** (*Adventures of Ozzie and Harriet*, and *Father Knows Best*.) And Michael now has a special place in his heart for Yvonne and brunette Sara O'Meara, the co-founders of Childhelp.

Michael joins the list of other celebrity ambassadors which include **Kathie Lee Gifford** and **John O'Hurley** (*Seinfeld*'s J.Peterman) **John O'Hurley** was also at the private dinner with his wife Lisa. Michael and John were both contestants on *Dancing with the Stars*.

Blonde CNN journalist **Nancy Grace** and also of recent *Dancing with the Stars* fame.. joined Bolton and a crowd of 600 at the Saturday night Childhelp Drive the Dream dinner at Westworld at Barrett Jackson Barrett-Jackson and held in conjunction with the world-famous Barrett-Jackson Collector Car Event, She was presented with the Childhelp Positive Impact in the Media Award. Grace is the host of *Nancy Grace* on CNN and recently was included in the cast of *Dancing With The Stars*. Her voice and her platform help bring critical awareness to the epidemic of child abuse in the United States.

By the way.. others at the private dinner in a private area of Elements at the Sanctuary on Camelback Mountain.. included Barrett Jackson's **Patrick van den Bossche** and his wife **Denise**. It was Patrick's birthday.. so how impressive.. . Michael Bolton sang along to the Happy Birthday serenading for **Patrick** when a special cake was brought out with candles.

Stay tuned for more of my behind the scenes scoop on the Drive the Dream gala.
